

## Peer evaluation template

Use this form in the stated units of your module to assess your team members' performance, including your own, in the group/team assignments. This feedback will not be shared with your team members. However, it will be considered for your final grade for the unit assignments. The full guidance is on the Department page.

Name	Mohammed Ali Harahsheh	
Group/Team number or name	1	

## Team evaluation

Write the name of each of your group members in a separate column. For each person, indicate the score to which you agree with the statement using the rating scale below. Extreme scores (1 and 5) will need to be justified with comments as they are reserved for extraordinary events (lack of participation or going above and beyond, respectively).

### Rating Scale

- 1 - Did not contribute in this way
- 2 - Willing but not very successful
- 3 - Average
- 4 - Above Average
- 5 - Outstanding

## Feedback on team dynamics

### 1. How effectively did your team work?

Our team worked exceptionally well, demonstrating clear communication, well-defined roles, and a strong shared commitment to achieving our project goals. Collaboration was seamless, ensuring efficiency and productivity throughout the project.

### 2. Were there any behaviours of your team members which were particularly valuable or detrimental to the team? Explain.

The team members consistently exhibited valuable behaviours, such as proactive communication, punctuality, and mutual support. These qualities fostered a positive and productive working environment. No detrimental behaviours were observed, as everyone remained engaged and committed to team success.

3. What did you learn about working in a team from this project that you will carry into your next group/team experience?

I learned that structured communication, regular check-ins, and mutual respect are fundamental to successful teamwork. Additionally, clearly defining roles and maintaining open feedback channels contribute to efficiency and collaboration. I will carry these best practices into future team projects to enhance group dynamics and overall success.

## Self-evaluation

Indicate the extent to which you agree with the following statements, using the same scale shown on the first page. Provide a self-evaluation total.

Contributed good ideas	
Listened to and respected the ideas of others	
Compromised and cooperated	
Took initiative where needed	
Came to meetings prepared
